

ALEXANDRIA'S COMPREHENSIVE DRUG ABUSE CONTROL PROGRAM

Alexandria Methadone Treatment Center      517 N. St. Asaph St.      #548-1773

The Methadone Center accepts any Alexandria resident 13 years old or older with a proven history of addiction to heroin, methadone or other opiates. Methadone treatment is combined with intensive counseling and rehabilitation.

Contact Person: Dr. Cooper Pearce - #548-1773

Hours: Monday through Friday, 7 am - 4:30 pm.

The Storefront Counseling Center      638 N. Alfred St.      ~~#683-4667~~ #63-1121

The Storefront Center provides individual and group counseling to "soft" drug users or to anyone with problems that may be drug-related.

Contact Person: Greg Wolber or Oliver Turner - #633-1121 or #836-5751

Hours: Mon. and Thurs., 1 pm - 9 pm; Tues., Wed., Fri., 10 am - 6 pm.

Alexandria Hot Line      101 N. Columbus St. (mailing address)      #548-3810

Hot Line accepts calls 24 hours a day, seven days a week. Trained volunteers confront every conceivable problem and offer confidential listening, emergency counseling and/or appropriate referrals. Back-up support is provided by mental health professionals.

Contact Person: Bill Carne - #548-3810 or #548-0010

Alexandria Schools' Drug Education Program      Parker Gray Middle School      #633-6066

The Drug Education Coordinator acts as a resource person in drug education for the entire school system. She coordinates workshops and school projects in drug education; is responsible for curriculum development; and directs in-service training for teachers and administrators.

Contact Person: Lucia Maxwell - #683-6066

The Drug Information Office      101 North Columbus Street      #543-0010

A program of Mental Health Association, the Drug Information Office provides the community with accurate, up-to-date information, assistance in planning workshops, seminars and programs, evaluation of resource material, and training in drug abuse prevention. The Drug Information Officer also writes a weekly question-and-answer column, "Answers on Drugs," for the Journal newspapers and maintains a library of books, research data, clippings, etc.

Contact Person: Helena Pratt - #548-0010

Second Genesis      1013 King Street      #633-2027

Second Genesis is a residential abstinence (drug-free) program in which training within a therapeutic community re-educates the addict for social and emotional maturity and redirects his life toward responsible adulthood.

Contact Person: Bea Killoy - #683-4610 (1204 Prince Street)
